

Pebble Creek Women's Club Match Play – Join Today!

We want YOU to participate in the singles and/or doubles Match Play groups this year!

Match Play is an optional event within the Pebble Creek Women's Club and is a great way to meet new people and improve your game! We will be offering **18-Hole Singles** and **18-Hole Doubles** Match Play groups this year - and will break each section by handicap if enough players sign up!

All levels of play are welcome! Match Play is “net” play – meaning every person can play competitively because you can get “strokes” for holes depending on your level of play. You also do not need to have a partner to sign up for doubles, as we will pair people up as needed.

How the Match Play league works:

- You schedule your own matches anytime during the week – and you can also play the matches on Tuesdays.
- Pairings are posted in the locker room – for each round you should have about two weeks to play your match. Scorecards are pre-marked for you and available in the Pro Shop prior to your round.
- Match Play is double elimination so you are *guaranteed* to play two matches.
- It is \$10 to participate for each group (\$10 for singles, \$10 for doubles) – and prizes will be awarded at the end of the season.
- Match Play is different than regular stroke play in that you play hole by hole against your opponent – so if you have a bad hole or two – no worries! It is a great way to play more golf in a less stressful format (especially doubles where you have a partner to help out!)
- Match Play will start in late May and run through the end of the season. (You must have a handicap by then to participate.)
