

CLASSIC MATCH PLAY RULES

1) To ensure there is no delay to the start of Round 1, the sign-up deadline is Wednesday May 3rd at 8:00 PM, OR when the field is full, whichever comes first. Teams will be taken on a first come first service basis. Electronic registration is encouraged and available on the men's club website. Please register and pay ASAP and AFTER YOU ARE PAID, e-mail (PCmatchplay@gmail.com) with both team members names and registration date so you can be added onto the appropriate bracket based on your handicaps. **YOU WILL NOT BE PUT ONTO THE BRACKET UNTIL BOTH MEMBERS ARE PAID.** The final brackets will be posted by May 6th on the bulletin board and club page so Rd 1 matches can begin.

2) Its 2-Man Best Ball. Entry fee is \$30 for Full members, \$40 for Ala Carte with 100% payback. Depending on the number of teams, the field will be divided into even brackets based on total team handicaps. There may be random play-ins or byes selected to begin the season if needed. The bracket is double elimination, so you are guaranteed 2 rounds of play.

3) 100% of your Handicap will be used. The lowest handicap player is reduced to scratch and the other players will receive the difference on handicap holes according to the scorecard.

(Ex: the 2 handicap goes to 0, 6 handicap would go to 4, 10 would go to 8, 14 would go to 12)

4) It is the team's responsibility to fill out the scorecard on the day of the match – pre-printed cards will not be available. Each player must use their GHIN app or the computer in the pro shop, to access that day's index for the tees they will be playing from. Print all players' (first and last) names and handicaps clearly on the scorecard, note the date played, and dot all handicap holes. Circle the match winner and put the completed scorecard in the envelope in the pro shop before you leave.

5) In fairness to all golfers, it is each players duty to enter their score in GHIN after each match. Failure to enter scores could result in board review and/or removal from the match play bracket. Its best to enter the scores together after the match to help avoid any discrepancies.

6) It is each team's responsibility to reach out and schedule matches with your opponents and set up your own tee time. It is not the match play administrator's duty to accommodate one teams wishes over another in scheduling matches. Everyone has an excuse, but in fairness to all teams there will be **ZERO** extensions beyond the posted deadline. If a match cannot be scheduled (for whatever reason) and no player from either team can play by the deadline, both teams will forfeit the round. In the event only 1 of the 4 players can play, a single player can represent their team and play the match. In that case the single player must play 10 holes on the deadline date, turn in your scorecard and their team wins the match.

7) Due to summer vacations and life in general, especially with 4 players involved, playing your matches ASAP each round and ahead of schedule is encouraged to avoid any forfeiting. Please email PCmatchplay@gmail.com with the results so brackets can be updated and the next round matches can be scheduled promptly.

8) Teams must play against each other in the same group. If a match cannot be completed on the same day because of darkness or weather, the entire match must be played over.

9) The Classic Champion and Runner-Up teams from each flight will both qualify for the Tournament of Champions.

10) Any questions or concerns text Aaron Olmscheid (336-266-3388) or email PCmatchplay@gmail.com
