

2026 INDIVIDUAL MATCH PLAY

1) To ensure there is no delay to the start of Round 1, the sign-up deadline is Wednesday April 29th at 8:00 PM, OR when the 32-man field is full, whichever comes first. Players will be taken on a first come first service basis, based on who is paid, so please register AND pay promptly. **AFTER you are paid**, either add your name to the sign-up form on the league board in the hallway, or e-mail PCmatchplay@gmail.com with your name & phone # so you can be added onto the appropriate bracket based on your current handicap. **IMPORTANT: You WILL NOT be added to the bracket until you are paid.** Brackets will be posted by May 4th on the bulletin board and club page so Round 1 matches can begin.

2) Entry fee is \$30 for Full members, \$40 for Ala Carte with 100% payback. Depending on the number of players, the field will be divided into even brackets based on handicaps. There may be random play-ins or byes selected to begin the season if needed. The bracket is double elimination so you are guaranteed 2 rounds of play.

3) In accordance with the USGA handicap system, 100% of your Handicap will be used in this format. The lowest handicap player is reduced to scratch; the opponent will receive the difference according to the scorecard handicap holes.

Example): in a 2 vs 6 match---the 2 handicap goes to 0 and the 6 handicap would go to 4.

4) It is the players responsibility to fill out the scorecard on the day of the match – pre-printed cards will not be provided. Each player must lookup their GHIN on the day of the match to get the correct index for the tees they will be playing from. Print your (first and last) names and handicap clearly on the scorecard, note the date played and dot all handicap holes. Circle the match winner & final score and have both players sign the final scorecard. Make sure to turn the completed card into the pro shop before you leave the course.

5) **POSTING SCORES** — **Change for 2026 we are no longer posting your scores for Match Play.** Its suggested that you do post your scores with your assumed score on holes that are conceded, to ensure your handicap is maintained at the appropriate, but we are leaving that up to you to decide & post on your honor going forward.

6) It is each players responsibility to reach out and schedule matches with your opponent and set up your own tee time. It is not the match play admin's duty to accommodate one players wishes over another in deciding matches. Everyone has an excuse, but in fairness to all players there will not be any extensions beyond the posted round deadlines. If a match cannot be scheduled (for whatever reason) and your not able to play the match by the deadline, notify the league Admin and they will flip a coin to declare the winner.

COMMUNICATE EARLY SO IT DOES NOT COME DOWN TO THAT!!!

7) Due to summer vacations and life in general, playing your matches ASAP each round and even ahead of schedule is encouraged to avoid any forfeiting. Please email PCmatchplay@gmail.com with the results so the brackets can be updated and the next round matches can be scheduled promptly.

8) Players must play against each other in the same group. If a match cannot be completed on the same day because of darkness or weather, the entire match must be played over or resumed as agreed upon.

9) The winner of each flight will qualify for the Tournament of Champions.

10) Any questions or concerns text Aaron Olmscheid (336-266-3388) or email PCmatchplay@gmail.com
