

Continuous Scramble

Saturday July 20th

Tee Times start at 1pm

Event Format: A normal scramble with a twist. Normally when someone holes out the hole is done. Not in this scramble! Once your team holes out a birdie the bonus round is triggered. If you make a birdie or better your team members who have not shot have the chance to lower your score. Example: Player A makes the birdie putt. Player B misses but Player C & D also make the putt. The score for the hole is -3. The same scenario for an eagle. Your score would be -6.

Continuous Scramble

Normal Scramble Rules

Teams will be randomly formed using an ABCD format

Tee's: Play from normal tees

Handicap: This is a Gross event

Event Format

Full Scramble mode. Each player will tee off. Team will choose which shot they would like to use and every player will hit one shot from that spot. Repeat process until holed out. Once you have holed out if the ball that is holed out is below par, any players who have not yet taken their turn may also try and make the shot. For each player who successfully holes of the shot the team goes the corresponding number of strokes under. Shooting for a birdie and two people make it score for the hole is -2. If shooting for an eagle and 3 people make it the score for the hole would be -6.

Ball must be hit within 1 club length no closer to the hole. If the ball you choose to play is in a penalty area (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the penalty area, rough or grass cut even if relief is within one club length away.

On the green balls must be placed within one putter head no closer to the hole. The first ball to go in the hole triggers the bonus option. If a birdie or better is made, all players who have not already hit have the chance to lower the team score. For each player who holes out on the hole the team score for the hole is lowered by 1 for a birdie, 2 for an eagle, 3 for double eagle ect.

Skins

Skins will be Team Gross skins. Skins pot is \$10 per player
