Two Man Scramble

Two person scramble

Members will form their own 2-person team

Tee's: Players will play from their standard Men's Club Tees

Handicap: Teams will receive 35% of course handicap from the lower handicapped player 15% of the high course handicap for their team handicap. Handicaps will be rounded up or down to the nearest whole number. .50 will be rounded up. Team handicaps will be put on the lowest handicap holes for skins purposes.

Event Format

Both tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.

The other player picks up their ball and places them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.

This procedure is followed on every shot for the remainder of the holes, including putts. The ball should be marked on the putting green also.

On the green balls must be placed within one putter head no closer to the hole. The first ball to go in the hole is counted for the team score.

If the ball you choose to play is in a penalty area (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the penalty area, rough or grass cut even if relief is within one club length away.

Any player who has a course handicap of 15 or higher from their standard tees will receive 1 mulligan per nine. Team is not forced to use that shot.

This is a Net score event.
